VII International Scientific and Practical Conference

"Information Technology for Education, Science, and Technics"

ITEST-2024

Cherkasy
May 23-24, 2024

First Call for Papers

<div align="center">

Dear scientists, teachers, doctorate students, students!

**VII International Scientific-Practical Conference
"Information Technology for Education, Science, and Technics"
(ITEST-2024)**
invites you to
Cherkasy State Technological University
on
May 23-24, 2024

</div>

The aim of ITEST-2024 is to stimulate the research in the field of information and communication technologies (ICT), highlight emerging ICT implementations in research, higher education, economy, healthcare, and technology, promote exchanging scientific information and practical achievements in this field, establish closer relations between universities and scientific institutions of different countries, encourage young people to scientific research.

The conference committee invites you to actively participate in discussions, present your reports, and exhibit your own software, electronic, and information resources.

Conference issues
• Theoretical and practical aspects for creating modern information and communication systems
• System information technologies in complex systems modeling
• Information technologies in engineering and robotics
• Information and communication technologies in management
• Information technologies in intelligent computing
• Information and communication systems and networks
• Information security
• Information and communication technologies in scientific research
• Computer modeling and information systems in economics
• Computer modeling in physical and chemical processes
• Information systems in medicine
• Information and communication technologies in higher education
• Training IT Experts in universities

Conference languages
English, Ukrainian (available for short-paper proceedings).

Types of conference participation
Plenary report, section report.
Live streaming of the plenary and breakout sessions will be provided.

Conference materials
The conference publishes papers of two types: short-text (conference theses) and full-text.

Publication of short-text papers
Authors may submit short papers for publication in conference proceedings. **A template** for short-text papers and recommendations for the authors can be found on the conference website.

Participants shall be awarded a **certificate of participation**.

Registration fee
Participants from Ukraine – **250 UAH.**
International participants – **free of charge.**

Publication of full-text papers

The authors of short-text papers will be offered to submit complete and original full-text papers in English. International authors may submit a full-text paper without submitting a short-text paper.

Full-text papers will be published in **Springer Lecture Notes on Data Engineering and Communications Technologies** issue (https://www.springer.com/series/15362). The series "Lecture Notes on Data Engineering and Communications Technologies" has ISSN and is indexed in Scopus (quartile Q3).
The template for full-text papers and recommendations for the authors can be found on the conference website.

Paper submission will be enabled with the link that **will soon be posted** on the conference website.

<mark>Important!</mark>
Each of the authors submitting full-text paper agrees to provide **peer review** for 1-2 other papers.
In addition, at least one co-author of each accepted full-text paper **must register to attend the conference and present a paper**. If none of the co-authors of the accepted full-text paper has registered to participate and has not reported at the conference, this paper will not be published.

Additional registration fee for full-text paper processing
Participants from Ukraine – **250 UAH.**
International participants – **free of charge.**

Important dates

❖ **Publication of short-text papers**

• Registration and short-paper submission	**April 1, 2024**
• Notification of short-paper acceptance	**April 5, 2024**
• Registration fee	**May 1, 2024**
• Conference invitations	**May 10, 2024**
• Conference start	**May 23, 2024**

❖ **Publication of full-text papers**

• Full-text paper submission	**April 20, 2024**
• Notification of full-text paper acceptance	**May 1, 2024**
• Camera-ready paper	**May 10, 2024**
• Registration fee	**May 20, 2024**

Under the conditions of the prolonged martial law in Ukraine, the conference will be held in online format.

Organizing Committee address
Cherkasy State Technological University, Department of Computer Science and Systems Analysis, 460 Shevchenko Blvd., 18006, Cherkasy, Ukraine
Phone: +380686050366, +380978885231
